

Inconsistent margin/sizes

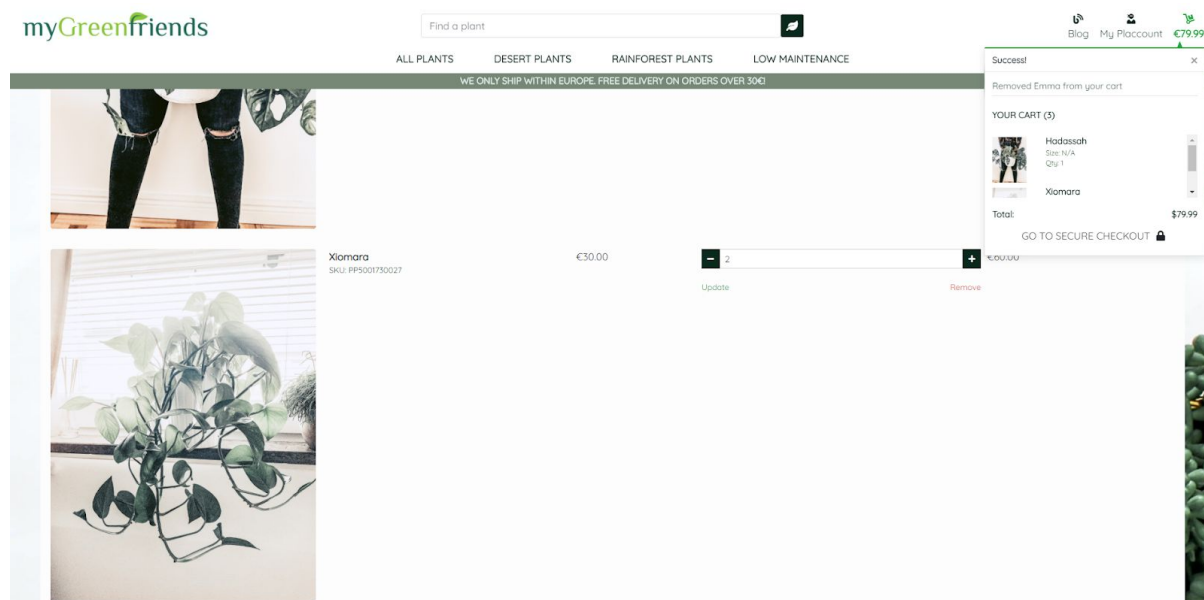

Blank search error pops up somewhere else

- Mail Us button doesn't open in a new tab
- Back to top button present when I'm already at the top of the page...
- No suggestion pop up on search filter when typing
- Home page scrolls to an empty page at the bottom, its lonely down there
- '<https://my-green-friends.herokuapp.com/accounts/login/>' - sign in button here is not very visible, i'll click 'home' by mistake before I click 'sign in' | same with the reset my password button: <https://my-green-friends.herokuapp.com/accounts/password/reset/>
- It says please contact us but there is no contact button easily accessible on the page that says we can contact for help resetting the password
- Also, theres no contact us page at all
- I can't buy more than 10 items :(unless I add them separately in 10s

- When I hit enter on any page I am purchasing a plant or choosing a plant, it reduces my quantity instead of accepting my quantity or adding to kart
- It didn't store my credit card details...
- Uhhmm...How do I change my password?

Alert pops up on the basket again - see above

I'm already on the cart when this pops up after I remove an item

Please fill in the form to get your plant/s

✖ You passed an empty string for 'payment_method_data[billing_details][name]'. We assume empty values are an attempt to unset a parameter; however 'payment_method_data[billing_details][name]' cannot be unset. You should remove 'payment_method_data[billing_details][name]' from your request or supply a non-empty value.

Not a friendly error | Also, it didn't auto fill my Name...
